

# DE-9106EGA

106" diagonal 16:9 electric screen

---

- **106" diagonal 16:9 electric screen**
- **Aluminium case with in-site internal I/R**
- **Wall or ceiling easy mounting options**
- **Tubular motor**

The EGA series screens offer a simple yet elegant design, with functionality the highest priority.

EGA screens utilize a single aluminium alloy construction, greatly increasing structural integrity making the screen sturdier and providing smoother operation.

Innovative and simple installation makes these screens suitable for most types of environments.

ISF certified for their superb colour reproduction
